

MyFunding Updates

Revised Subaccount Request Process

Users will no longer be required to complete separate subaccount requests when establishing a new award or when completing a modification that includes budget changes. Users can now add the subaccount allocations to the award while the award is in a draft state, without submitting subaccount requests.

Users will only need to complete a subaccount request if the subaccount is being added to the award after the project has been activated.

New MyFunding Search Filter

The PERIS™ team has added a new award filter in MyFunding. Award records can now be searched for by users by using the 'Direct Sponsor Award ID' as a filter. To search for a record using the 'Direct Sponsor Award ID' please follow the steps below.

1. Set the filter to 'Direct Sponsor Award ID':

2. Enter all or a portion of the award ID into the search box and click 'Go':

ID	Name	SmartForm	State	PI First Name	PI Last Name	Department	Sponsor	Reviewer	Award Approver	Date Modified	Direct Sponsor Award ID
AWD00000327	Teen Mothers' Prenatal Cannabis Use and Co-Use with Tobacco	[Edit]	Draft	Natacha	DeGenna	WPIC Grants & Contracts	National Institute on Drug Abuse			5/14/2019 4:38 PM	1R01DA04640101A1
