

Below are the examples of evidence for each curricular outcome created during colloquium # 3 on 10/30

1. <u>Learner</u>	2. <u>Patient Assessor</u>	3. <u>Care Giver</u>	4. <u>Manager and Leader</u>
<ul style="list-style-type: none"> - Problem based learning - DIQ - Biochem 8, A & P Assignment - Study Guide - Jones Family - Top Drugs weeks - Shadowing - Medication Experience 	<ul style="list-style-type: none"> - Physician Consult Letter - Standardized Patient - Anatomy Assignment - Diabetes Practicum - Community Health Site (APPRISE) - Case Conference Sessions - Blood Pressure Training(case conference) 	<ul style="list-style-type: none"> -Jones Family Reflection -Drug Information Sessions -Jones Map - Caregiver - PDA Practicum -Experiential Learning Journals -Volunteer Work(write a reflection about it) - IPPEs 	<ul style="list-style-type: none"> - Appraise - SMART Goals - Undergrad Leadership - Community Health Assignment - Patient Case Events - Jones Family - Bake sale for LKS - Team Building Exercise (vineyard challenge)

5. <u>Health Promoter and Provider</u>	6. <u>Preparer and Dispenser</u>	7. <u>Problem Solver</u>	8. <u>Educator and Communicator</u>
<ul style="list-style-type: none"> - APRISE Lectures - Healthy People 2020 - Diabetes Walk, Heart Walk. - APHA patient care activities - Standardized Patient reflection summary - Physician Consult Letter - Experiential sites -Volunteer at Global Links 	<ul style="list-style-type: none"> -Dispensing Lab (prescription label) - Top Drugs - Intern License - Calculations Problems - Top Drugs -Working at Pharmacy -PDA Calculations -Certifications 	<ul style="list-style-type: none"> - Dispensing Lab - Drug Information - Biochem Assignments - Case Conference - PDA Calculations - Dispensing Lab - Drug Therapy Problems - Team Work Assignments - Emerging Professionals 	<ul style="list-style-type: none"> - SOAP notes documents - Recording of SP Final - Poster about adherence for experiential learning sites - IGNITE Presentation - Jones Family - Rx Prep or Rx Ambassadors - SP Simulations

9. <u>Professional and Advocate</u>	10. <u>Collaborator</u>	11. <u>Lifelong Learner and Innovator</u>	What other examples can you come up with?
<ul style="list-style-type: none"> -HIPAA Certification - Heart walk, major organ walks -Advocating for role of Pharmacists -Interprofessional Forum - Conferences -Table events for student organizations -Workshops -Top Drugs -Volunteer work 	<ul style="list-style-type: none"> -IGNITE - Diabetes Practicum -Community site -Interprofessional forum -Vineyard Project, assignment and reflection - Internship 	<ul style="list-style-type: none"> -IGNITE -SMART Goals -Mission Statement -Career Roundtables -Intern License -Top Drugs -Community Health Journals -Strengths finder -APRISE Lectures -Career Plan -DI Assignments -License and certifications 	

Important notes to keep in mind:

- Portfolios are due November 17th
- You can write a summary of an experience as evidence, but you must include a reflective connector with it
- make sure your questions include the "what, so what, now what", this should really say, make sure your "reflective connectors" follow the 'what, so what, now what' format, and for more details, see the slide deck from previous colloquium outlining the format
