- Questions

# What is ISPOR?

## **International Society of Pharmacoeconomics and Outcomes Research**

*Mission & Vision:* To promote health economics and outcomes research excellence to improve decision making for health globally.

ISPOR is the leading global scientific and educational organization for health economics and outcomes research.

Chapter Advisor: Dr. Inma Hernandez

# Goals & Purpose

1. Provide an environment where students can share knowledge in pharmacoeconomics and health outcomes research.
2. Serve as a bridge in bringing together students interested in pharmacoeconomics and members of the pharmaceutical industry, health-related organizations, and academia.
3. Act as a resource for new students interested in pharmacoeconomics and outcomes research.
4. Provide an opportunity for student chapter members to become familiar with the affairs of ISPOR as well as have representation in its affairs.
5. Coordinate with other student organizations to help provide enriching educational experiences pertaining to pharmacoeconomics and outcomes research.

# Activities

- Educational seminars about new pharmacoeconomics and outcomes research
- Guest speakers
- Provide funding to attend ISPOR conferences
- Chapter projects

# Project Ideas

- Analyzing Clinical Trial Data
- Health Technology Assessments
- Work with patient advocacy groups/national organizations
- Statistical Program Workshop
- Journal Clubs

*Let us know the types of projects you would like to see!*
