

*Updates and Opportunities for Student Pharmacists:*

# ***COVID-19 and vaccinations***

## **Zoom Webinar Presentation**

**OCTOBER 6, 2020 5:30-6:30 pm**

Join us for a panel conversation including a number of our faculty who are leading efforts in our state and beyond. We will include information about the upcoming COVID-19 vaccinations, pandemic vaccination in Pennsylvania, immunization training for student immunizers, and vaccination workflow in community pharmacies.

***Open to PittPharmacy students, faculty, and staff***
