PGY1 Pharmacy Residencies Open House Announcement

The postgraduate year 1 (PGY1) residency programs at Geisinger are pleased to offer any P4 or pharmacy school graduate interested the opportunity to learn more about Geisinger residencies with a virtual open house. The open house event will be a town-hall style event where potential applicants, program directors, residents, and program preceptors may converse and answer questions about the residency programs.

The open house events will use Microsoft Teams which is available on Windows, Apple, and Android-based computers or mobile devices. Attendees do not need to RSVP prior to the event but will be asked to share their contact information at the meeting.
